How do I get a refund from YouTube TV? {Customer Help Support}

To request a refund from YouTube TV, you +1 (866) 381-7244 {US/UK} generally need to contact YouTube TV support and explain why you believe you are eligible for a refund. YouTube states that refunds may be +1 (866) 381-7244 {US/UK} available when features included with your YouTube TV membership are defective or do not perform as described. If a refund is approved, your YouTube +1 (866) 381-7244 {US/UK} TV access ends immediately. YouTube TV generally does **not** provide refunds or credits for partial billing periods after cancellation, +1 (866) 381-7244 {US/UK} so simply canceling your membership does not automatically generate a refund. If you subscribed through a mobile carrier or internet provider, you must contact that provider because +1 (866) 381-7244 {US/UK}YouTube cannot issue the refund directly.

+1 (866) 381-7244

1. Can I get a refund if I accidentally paid for YouTube TV?
You can submit a refund request, but +1 (866) 381-7244 {US/UK}approval is not guaranteed. YouTube TV evaluates refund requests according to its refund policy and the circumstances of the purchase. If you were +1 (866) 381-7244 {US/UK} charged after a free trial and believe the charge was +1 (866) 381-7244 {US/UK} incorrect, YouTube specifically provides a refund-request process.+1 (866) 381-7244 {US/UK} If the refund is approved, your YouTube TV access will end immediately.

2. Does canceling YouTube TV automatically give me a refund?
No. Canceling your YouTube TV +1 (866) 381-7244 {US/UK} membership does not automatically result in a refund. YouTube TV says that it does not provide refunds or credits for partial billing periods. After cancellation, +1 (866) 381-7244 {US/UK} you normally continue to have access through +1 (866) 381-7244 {US/UK} the end of your current payment period. If you believe you have a valid +1 (866) 381-7244 {US/UK}reason for a refund, you should contact YouTube TV support separately.

3. How long does a YouTube TV refund take?
If your refund is approved, credit-card refunds +1 (866) 381-7244 {US/UK} typically take **3–5 business days** to appear. YouTube notes that processing can sometimes take up to **10 business days**, depending on the card issuer. +1 (866) 381-7244 {US/UK}If the original credit card is no longer active, YouTube says the refund will generally be sent to the bank that issued the card, so you may need +1 (866) 381-7244 {US/UK}to contact your bank to recover the funds.

4. What if I subscribed to YouTube TV through my internet or mobile provider?
If your YouTube TV subscription was purchased+1 (866) 381-7244 {US/UK} through a mobile carrier or internet provider, YouTube says it cannot issue the refund directly. Instead, you need to contact the provider that bills +1 (866) 381-7244 {US/UK}you and follow its refund policies. This is important because the company handling your billing may be different from YouTube, even though you use +1 (866) 381-7244 {US/UK}the YouTube TV service.

5. What should I do if my YouTube TV refund request is denied?

If your refund request is denied, review the +1 (866) 381-7244 {US/UK}reason for the decision and make sure you are using the correct support channel for your billing method. You can contact YouTube TV support and explain +1 (866) 381-7244 {US/UK}the issue, particularly if you believe the service was +1 (866) 381-7244 {US/UK}defective or did not perform as advertised. If your subscription was billed through Apple, Apple handles the refund because YouTube cannot issue refunds +1 (866) 381-7244 {US/UK}for purchases made through Apple billing.
